

GSKC Club Newsletter May 2024

It was great to see a record number of Cadets and Juniors competing in our rescheduled Round 2 last Friday evening.

## Round 2 (Seniors Only) This Friday Night

Now it's time for the Seniors competition this Friday 24th May. Enter at [portal.karting.net.au/](http://portal.karting.net.au/)

## Racing starts at 7.00pm

- Gates open at 5.00pm
- Canteen opens at 5.30pm
- 3 minute Carburettor Session
- 6 minute Qualifying
- Heats 1 & 2 will be 12 laps each
- Final will be 14 Laps

Estimated meeting finish time is between 9.30pm and 10.00pm.

Racing will finish under lights so remember your Clear Visor. Without a clear visor you won't be able to race.

## BBQ Dinner available at the Canteen

Use this opportunity to prepare for the Coffs Over-40's event in early June. Use this Friday's racing to work on your race craft and race fitness on our brand new track.

An 8-Day licence is available for non-Karting Australia members, and this Friday gives you the chance to race on LeCont tyres.

**Friday is for Senior categories only!** To keep the evening short and running on time, we'll move through the track sessions quickly with about 40 minutes between sessions.

## Enter for your chance to win a new Kosmic, Lando Norris, Redspeed, Gillard or Carlos Sainz chassis!

All our Round 2 entrants who are members of Greater Sydney Kart Club will be entered into the draw to win a new OTK chassis. Get your entries into Round 2 which is opening shortly for another ticket in the draw.

At the end of the 2024 season one lucky club member will be given an OTK chassis of their choice via raffle.

If you like the idea of winning a Kosmic, Lando Norris, Redspeed or even the brand new Carlos Sainz CS55 kart then all you have to do is join the club, or be a current paid member, and race with us. Every time you enter a round of the 2024 Club Championship you will get a ticket in the draw to win this amazing OTK kart.

The draw will happen at the end of the 2024 Club Championship year and the rolling chassis will be for the winners race class only.

## Your opportunity to be rewarded for lap consistency

Up for grabs is \$50 for every driver who gets a 'Triple'! If you can achieve three identical lap times in consecutive order during an official GSKC race in 2024, as measured on Speed Hive, the Club will reward your consistency with \$50. So let's get after chasing a 'Triple'!

## Tuesday Night Training

Tuesday night training is available throughout Term 1 of school. This has been very popular throughout February. Take advantage of the uninterrupted practice and register via KOMP under Social Karting at [portal.karting.net.au/](http://portal.karting.net.au/)

## Your opportunity to win a Black Plate

Later in the year we will be hosting the Karting Australia NSW closed State Title where class winners will be awarded a Black Plate.
