

GSKC Club Newsletter 13 August 2024

Congratulations on a great Black Plate Event!

Congratulations to everyone involved in making our Black Plate event a great success.

I'm pleased to say that the weekend ran smoothly with the same positive atmosphere as we've come to expect from our events, only interrupted by an incident in the Cadet 12 Final. Keenan suffered a dislocated elbow and was well looked after by Ray and Christine.

Driver Standards

Drivers should be congratulated on maintaining good driver etiquette in their racing with Officials respected for enforcing high standards in a fair way, and it was great to see new lap records set.

Commentary

Thanks also to **Lewis Hodgson** for commentating our weekend and **Phil Brown** for supplying our PA System for the weekend.

Pit Allocations & Car Parking

Thanks to all teams and participants for adhering to pit allocations and to all those who followed directions about car parking.

Facility Improvements

Special thanks to the Indy800 owners **Raylene and Jerard** and their team who are putting in a great effort to continue to improve the whole facility.

The expanded In-grid Out-grid worked well making the race meeting run efficiently.

Canteen & Volunteers

Thanks to **Lea, Christine, Nicole, Belinda, Diane and Pam** for running the Club Canteen so successfully and also to all the volunteers who assisted. It's great to now have a permanent place for our Canteen.

Matthews' Corner

It was also great to launch Matthews Corner in appreciation of Pam and Andy's longstanding support of our club, members and the sport of karting.
